### PURPOSE OF THE ASSOCIATION:

The prime purposes of this Association are as follows:

(a) to organize electrical contractors in the three county area of the Lake of the Ozarks, i.e. Camden, Miller and Morgan Counties. This group shall be formed for self-accountability, training and testing in municipal ordinances, codes and quality workmanship concerning Lake of the Ozarks docks and general electrical work;

(b) to provide property owners with a tool and a source of information to use when hiring electrical contractors and electricians;

(c) to provide a means and method for certification of electricians and electrical contractors;

(d) to borrow, or raise money for any purpose of the Association and to secure the same and the interest accruing on a loan, indebtedness, or obligation of the Association;

(e) to do any and all of the things herein above enumerated above, for its own account, or for the account of others as the agent for others, or in association with others by or through others; and

(f) in general carry on the other business in connection with each and all of the foregoing or incidental thereto, and to do all things not forbidden by the State of Missouri and with all the powers and privileges now or hereinafter conferred upon association of this kind by the laws of the State of Missouri.

(g) to promote the members of the association to the public via advertisement.

Y/N Is this company registered with the state of Missouri as a for profit company whose primary business and purpose is electrical work? Please include a copy of that state registration.

Y/N Does this company agree to maintain a minimum of \$1,000,000 liability insurance and maintain a current certificate of insurance with the Association as other insured? Please have your insurance company send a copy of your COI with LOZAEC listed as other.

Y/N Does this company agree to have at least one owner complete the training certification process when it becomes available and participate in continuing education?

Y/N Does this company agree to conduct all work with the minimum standard of the local ordinances and NFPA or where there is no inspecting authority according to the standard available on the Ameren website? And agree to affirm a permit has been acquired and the work inspected and approved where there is an inspecting authority.

Y/N Does this company agree with the by-laws of the association?

Y/N Does this company agree to not hold liable the Association, it's board or members for any action it does in the course carrying out it's vision?

The Association agrees to promote it's members and the vision it holds. Further it agrees to organize training and certification of owners and employees of member companies.

Annual membership Fee \$250.00
